

Dear Friends and Family:

We're off! Thursday September 13 at 6am we depart for Guyana (via Seattle, New York and Trinidad), it has taken longer to launch than we had imagined however at the end of the day it's God's timing not our own. The container is packed and ready to go we are just waiting for final shipping arrangements and a truck to take it to Vancouver, it will then go by rail to Halifax and then by container ship to Guyana, hopefully arriving sometime in October. We have been sooo

busy with last minute tasks but we have enjoyed visiting with family and friends as we share our experiences and plans. If we haven't talked to you yet please give us a call, Jud's cell number is 250 212-0442 and Karen's is 250 878-0391, we would love to hear from you before we go.

Jacob and Zachary are looking forward to going and seem to be happier knowing when we are leaving; they have each packed their Rubbermaid bin with toys and loaded it in the container along with their cherished bicycles. Karen and I are very ready to go and we are looking forward to taking our seats on that plane and taking a big deep breath, the relaxation will be short lived however as a great many tasks await us in Guyana.

The project has been hugely blessed with supplies and equipment, almost everything that we had hoped for to be equipped to reach the needs of the people of Guyana has been supplied through incredibly generous donations of businesses and people like you. We just want to say thank you and we are so looking forward to making the best use possible of each and every item.

While we have had our needs supplied for our launching we still find our monthly funding is under our budget requirements. If you would like to help with the work in Guyana we encourage you to give it prayerful consideration. We consider our supporters to be a part of our "home team", you give us courage and motivation with each step forward. The quickest and simplest way to make contributions is online at <http://www.flywfh.org/donate/index.htm> , if you would like to contribute monthly you just select the number of months and how much per month to your credit card, it is instant and very easy to track. Alternatively you can mail in cheques (made out to Wings for Humanity Foundation), to the address below, either post dated or monthly. In all cases tax receipts are issued at the end of the year

It is especially encouraging to have so many people praying for us, it gives us strength and confidence as we move forward in faith on a daily basis, please keep us in your prayers that God will continue to reveal his purpose for our family and we will pray that he will do the same for you.

Jud, Karen, Jacob and Zachary Wickwire
